Tee It Up for Alter High School Hockey and Kyle Cannon

**Alter High School Hockey
Golf Outing Fundraiser
Monday, June 29 at the
Greene Country Club & Golf Course**

Please support the inaugural Archbishop Alter High School Hockey Association Golf Outing. This year's event will also provide funds for the continuing medical care of Kyle Cannon, a 9th grader from Toledo's Oregon Clay High School. Kyle suffered a devastating injury resulting in paralysis this past November while a participant at a Thanksgiving High School Tourney held at the Kettering Recreation Center Ice Arena.

Despite having the smallest student population of the 100+ Ohio High Schools who field Varsity Hockey Teams, Alter Hockey competes against very large, well funded public and parochial high schools across the state. Unlike High School Football or Basketball in the State of Ohio, there is only one division for all hockey teams. In the 9 years Alter has had a hockey program, Alter players have performed with distinction on the ice, in the classroom and on many community service projects. In the 36 Years High School Hockey has been played in the Greater Dayton/Cincinnati Areas, no team has ever been recognized for such academic prestige. Last season, 18 out of the 19 Alter Hockey Players were named to the conference's All Academic Team.
